The meet referee and/or meet director reserves the right to ask for coach credential or Deck Pass and/or deny deck access if coach does not comply or card is no longer valid/current. As a secondary measure, upon checking in each day, coaches, officials and meet workers will be given a wristband to be worn for that day's sessions.

**RULES**

- Current USA Swimming and Indiana Swimming rules, including the Minor Athlete Abuse Protection Policy (MAAPP), will govern this meet.
- At a sanctioned competitive event, USA Swimming athlete members must be under the supervision of a USA Swimming member coach during warm-up, competition, and warm-down. The Meet Director or Meet Referee may assist in making arrangements for such supervision, but it is the swimmer's responsibility to make such arrangements prior to the start of the meet.
- Any swimmer entered in the meet must be certified by a USA Swimming-member coach as being proficient in performing a racing start or must start each race from within the water. When unaccompanied by a member-coach, it is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement.
- In swimming competitions, the competitor must wear only one swimsuit in one or two pieces except as provided in USA Swimming Rule 205.10.1. All swimsuits shall be made from textile materials. For men, the suit shall not extend above the navel or below the knees, and for women, shall not cover the neck, extend past the shoulder, nor extend below the knee.
- Deck changes are prohibited.
- Use of audio or visual recording devices, including cell phones, is not permitted in changing areas, restrooms, or locker rooms.

Exceptions may be granted with prior written approval by the Program Operations Vice Chair.

## SAFETY PLAN

All safety protocols have been determined and approved by the medical director of the facility and the Elkhart Count Department of Health.

*Social Distancing:* There will be no more than 300 swimmers entered into a session. Swimmers will be spaced out on the bleachers throughout the deck, leaving at least 6 feet of space between seating areas and no more than 6 swimmers per bleacher. Marshals will be in place to monitor social distancing, but coaches are asked to monitor their own teams during the event as well.

*Warm Up:* Warm up lanes will be assigned.

*Sprint/Pace Lanes:* Sprint/pace lanes will be opened at the end of the warmup period. Pace lanes will be available in

lanes 1 and 10 while sprint lanes will be in the remaining even lanes. Swimmers will line up for sprint lanes in the non-pace odd lanes. There will be no lining up on the bulkhead for the print lanes.

*Clerk of Course:* All events will be clerked. Three heats will be lined up on the northeast side of the pool deck and sent onto the bulkhead once the heat ahead starts their race.

*Flyover Starts:* Flyover starts will be used in all events except for backstroke events. Swimmers will remain in the pool on the wall and to the right side of the lane until the next heat has started. In backstroke events, heats will clear the pool and bulkhead before the next heat is sent onto the bulkhead.

*One-way Traffic on Bulkhead:* During the meet, all swimmers will enter the bulkhead from the north (scoreboard) end and leave the bulkhead from the south (locker room) end.

*Sanitization:* Facility staff will regularly sanitize all commonly touched surfaces (door handles, ladder, flag poles, etc.) with spray sanitizer.

*Face coverings:* All coaches, officials and volunteers will wear masks covering their nose and mouth while in the facility. Swimmers will wear face coverings to the edge of the pool and only remove them immediately before they enter. After a race, swimmers must immediately put their mask back on before walking off the bulkhead. Swimmers will have their nose and mouth covered before talking to coaches following a race.

*Locker Rooms:* Locker rooms will be available to the swimmers to change into and out of swimsuits. Showers will not be available. In sessions where there are swimmers aged 18 & Over, a separate locker room will be designated for those swimmers.

*Check In:* All swimmers will check in when entering the facility. Only swimmers entered in the session will be allowed to enter the facility. Coaches, officials, and volunteers will also sign in for each session.

*Timers and volunteers:* One timer will be assigned to each competition lane. An adequate number of officials will be present to ensure proper administration of a swim meet.

*Spectators:* As of the writing of this meet letter, there will not be spectators allowed in the building. The meet will be webcast via YouTube Live.
