

CLE SWIMMING 2022-23 EQUIPMENT LISTS

CLE is a TYR sponsored program. Therefore, all items purchased should be TYR products and purchased from D&J Sports, our team vendor, as TYR contributes back to the club based on our annual sales. TYR items purchased from another vendor will not be credited towards CLE. This includes items like equipment, bags, and parkas.

A **TEAM SUIT** mandatory for all groups but High School. The only exception is that high school swimmers may wear their high school team suit. No generic or “tech” suits are permitted. Our team suit is available on the D&J Club Store.

Swimmers should also order the Team Bag and Parka if they plan on attending meets.

Only CLE shirts and Caps are permitted at meets. Every swimmer will receive a team shirt and CLE cap before the start of any Meets.

Only CLE or “fun” caps are permitted at practice. No caps from other teams, Rec or otherwise, are permitted (college, HS & USA Swimming Select team caps are okay). If you’d like to order additional or personalized caps, this can be done as well.

Orders may be placed online through our team store: <http://djsports.com/teams/cle-swimming/>
